Silver Spur Ranchettes Sec 2, Austin, TX

Welcome to a residence of rare distinction, where modern architecture meets Hill Country serenity. Perched on 6 private acres with sweeping, unobstructed views, this architectural masterpiece offers the perfect balance of prestige and privacy. With an Austin address yet zoned to the award-winning Dripping Springs ISD, it brings together the best of both worlds: world-class schools and the energy of one of Texas's most desirable cities. From the moment you step inside, soaring 30+ foot ceilings and walls of glass create a dramatic sense of space, yet the home was purposefully designed so no direct sunrise or sunset light enters the windows, framing sunsets that feel like living art. Every detail, from the polished concrete floors to the bespoke finishes, has been carefully curated for a home that is as refined as it is livable. At its heart lies a chef's kitchen designed to impress, anchored by a massive island, perfect for intimate family dinners or lively gatherings. Each bedroom is a sanctuary with its own en-suite bath, blending comfort and elegance with thoughtful privacy. Outside, the home transforms into a private resort: a sparkling in-ground pool and spa, fully equipped outdoor kitchen, and expansive entertaining terraces designed for evenings under the Texas sky. Meander along your own network of private walking trails, or simply unwind in the stillness of Hill Country sunsets stretching for miles. The property also features a custom 2,480 sq ft barn/shop, complete with

a professional-grade lift built directly into the concrete floor, an incredible amenity for car enthusiasts, hobbyists, or those who desire versatile workspace. The barn also includes a partial kitchen and a full bathroom and the capacity to serve as a 4-car garage. Additional bonuses include dual electric car charging stations and an unrivaled sense of tranquility just minutes from Austin’s cultural heartbeat. This is more than a home, it is a statement of artistry, luxury, and lifestyle.
