A rare architectural statement in the heart of East Austin's creative corridor, 640 Tillery Avenue offers investors, visionaries, and lifestyle brands a one-of-a-kind opportunity to anchor themselves in one of the city's most dynamic neighborhoods.

Currently occupied with a strong tenant and delivering a healthy cap rate, this multi-zoned commercial mixed-use property (CS-MU-CO-NP) combines income stability with incredible future potential. Designed and built by an artist, the structure itself is a work of art — featuring extra-high ceilings, expansive open-plan interiors, and glass garage doors that dissolve the boundary between indoor and outdoor living.

Set on a wide street just moments from East 6th Street and Cesar Chavez, this property is ideal for a flagship concept — a brand's Austin home base, studio headquarters, or hospitality showcase. Think coffee roaster meets creative studio, design atelier meets tasting room, or a wellness brand seeking a destination that feels distinctly Austin. The setting offers ample street presence, flexible floorplans, and private landscaped grounds that invite gatherings, pop-ups, or everyday creativity.

This is a rare chance to secure a live/work/flex property that embodies the soul of Austin's east side. Surrounded by acclaimed coffee shops, art galleries, local
