5 Bedroom, 5.00 Bathroom, 5,761 sqft
Residential on 2.10 Acres

Destiny Hills Sec 2, Austin, TX

Also available as a furnished rental for \$21K/month. Situated within the privacy of Destiny Hills, this custom-built estate by Arbogast Custom Homes offers over 5,700 square feet of thoughtfully considered living space on more than two acres.

Designed to function like a single-story home, it seamlessly combines striking architectural elements—steel, stone, glass, and stucco—into a space that feels both refined and welcoming.

Inside, wide plank wood flooring flows through open living areas under soaring ceilings. A 20-foot sliding glass wall invites the outdoors in, connecting the main living room to a spacious covered patio complete with a pass-through fireplace, fully equipped outdoor kitchen, motorized shades, and a shimmering pool. A lighted sport court rounds out the backyard retreat.

The layout of the main home includes four bedrooms, three and a half baths, and multiple living areas, including a large game room upstairs and two separate living spaces downstairs. Designer chandeliers punctuate the home in all the right places—kitchen, dining, primary suite, and even some closets.

The Chef's kitchen anchors the space with a massive, Quartz waterfall island, 7-burner Thermador cooktop, double ovens, wine

fridge, and a walk-in pantry.

The primary suite offers a quiet sitting room (could also be used as a nursery or office space) and spa-style bath, with deep soaking tub and walk in shower designed with calm in mind.

The detached guest house offers privacy and comfort for long-term guests, family members, or anyone needing a space of their own. It includes a full kitchen, living room, bedroom, bathroom, and its own covered patio.

Located within the Highly Rated Lake Travis ISD and just minutes from Hill Country Galleria, shopping and dining, this home blends thoughtful design with everyday functionality.
