Very motivated seller. Enjoy a modern 1-bed, 1-bath condo that gets you close to all that is on Congress and St Elmo including Arts, and Wineries. Besides a well designed living space, this unit offers a fifth floor view from the generous balcony towards the Hill Country. If Sunsets are your thing, this is your place! It has a view of Austin you have not seen and worth your consideration! Your reserved covered parking spot is on the same level as the unit for your convenience. It also has some extra space around the car the most other spaces do not have. Also a plus is that you can see your parking space from the front door across the quad in the parking garage. Go up to the 7th floor to see the amenities which include a Yoga studio and Exercise room with equipment. Best of all is a large community room for gatherings or just to sit and relax in this bright and comfortable area. There are amenities outside in the courtyard like a pet park, picnic tables, chairs in front an outdoor gas fireplace. There is a roof top pool that is currently closed for an undetermined time. Ask agent about this and other fine features of living here!
