Shinoak Valley Sec 01, Austin, TX

As featured in *Tribeza* and located in one of Austin's most loved neighborhoods, 3923 Glengarry is the ideal home. Thoughtfully updated in 2014 for both functionality and aesthetics, the renovation included updated mechanical, electrical, and plumbing systems, a whole-house surge protector, and oversized Fleetwood doors and windows that seamlessly connect indoor and outdoor living. Every detail was thoughtfully curated, from the custom finishes to the refined layout that brings light and warmth into every room. A whole house generator was added in 2021 and the roof was updated in 2024. The gourmet kitchen serves as the heart of the home, designed for both everyday living and elevated entertaining. It features a custom oversized island, abundant storage and cabinetry, and high-end finishes that marry form and function. This four-bedroom, three-and-a-half-bathroom home features two full bathrooms, one Jack and Jill bath, and a powder room, all finished with natural Leuders stone for a clean, organic aesthetic. The primary suite offers serene Hill Country views, a custom walk-in closet, and a spa-like bathroom complete with a soaking tub and zero-edge shower, creating a true retreat. The entire home was designed for aging in place. Two guest rooms share the Jack and Jill bathroom, creating a private and functional wing for family or visitors. A separate guest suite, located off the kitchen, includes a bonus room ideal for reading, play, or simply enjoying the surrounding views. The living room

showcases a striking custom steel display designed to elegantly highlight art or books while serving as a sculptural focal point within the open floor plan. Set on a .33-acre lot, the property offers exceptional outdoor living potential. A spacious backyard deck with a grill supplied by a natural gas outlet, overlooks a serene landscape with ample space for a future pool, while the front yard pond adds a tranquil, welcoming touch.
